

# Online Homework Help & Tutoring Program

With students doing distance learning and our libraries temporarily closed due to coronavirus (COVID-19), the Miami-Dade Public Library System is pleased to announce the launch of our Online Homework Help & Tutoring Program.

Beginning this Saturday, April 4, students grades K-12 can get free one-on-one online homework help and tutoring from certified teachers in reading and math. The 30-minute virtual sessions will be held on Saturdays from 10 a.m. through 1 p.m. by appointment only.

Please note that a desktop computer or laptop with internet, video and audio capabilities is needed to participate and students should have a quiet learning environment that is free of distractions.

For more information and to request a virtual tutoring appointment, please visit [www.mdpls.org/tutor](http://www.mdpls.org/tutor).

We're happy to be able to provide you with this virtual service so that we can all be safer at home.
