OJUS PTA

HELPING OJUS KIDS GET THE BEST TO BE THE BEST

WHO WE ARE

The Ojus PTA is a parent-teacher association/organization. It is a formal organization composed of parents, teachers, and staff to facilitate parental participation in school. We raise funds for special programs and projects that cannot be covered by the school's public funds, to benefit the students and teachers at Ojus Elementary School.

WHAT WE DO

Ojus Elementary School is known as "The Home of Super Stars;" therefore, the PTA's goal is to amplify students' potential by providing an amazing educational experience.

Ojus PTA board creates connections within our community by organizing fundraising activities, supported by parents, teachers, and local businesses. We obtain grants and sponsorships from private organizations to maximize students' potential. Through our effort, we amplify the voice of parents, teachers, and those who want the best for our children.

This year: with your help, our goals are to:

Fund the STEM-based programs
(Science, technology, engineering, and mathematics)

Support teachers with prizes and incentives for the students.

Fund the Accelerated Reader Program
(to maintain Title I)

Assist Clubs Sponsorship.

Contribute to field trips

Get new library books.

HOW YOU CAN HELP

PTA membership sign-up is the easiest way to support our mission of up-leveling children's education. Membership enrollment does not make you a volunteer; it only costs \$10.00., and your contribution goes towards the abovementioned activities. To learn more, click the QR code below.

Volunteers are always welcome. If you are a mission-driven individual, you can always participate in any activity hosted by the PTA. Sign-up now!

Donations are suitable for those who do not have the time. Help support the PTA by purchasing merchandise from the online store and/or our Amazon wish list. Get your membership to be informed about PTA's funds allocation and activities.

Thank you for helping us create a brighter future for Ojus's super stars.
