VPK at Ojus Elementary School

Welcome to Pre-Kindergarten!

At Ojus Elementary, our classroom is a safe place to learn through play, develop, do our best, and work and build relationships together with a common goal. We respect and celebrate cultural diversity as we strive to become valuable members of our community. We have very high expectations for our students' academics and behavior. It is our belief that these high expectations will lead us to our highest potential student achievement. We look forward to meeting and working with you all this school year!
